Jewelry Design: ***First....The Basics***

Kim Yang

Kim Yang's passion is to develop a superior quality of hand made jewelry that is fun, functional, and fashionably trendy. In this first class you will learn the basics of jewelry making. You will create and design a project from start to finish. Students will use a wire guard, crimp bead, and crimp bead cover, to accomplish a jeweler's finish. The use of tools and a project hand-out will be provided during class. Jewelry making kits will contain semi-precious stones and components. A comprehensive glossary will be made available to help you in this new endeavor.

Jewelry making kits will be provided for a cost of \$15 cash only to the instructor.
